

Mixed Languages Appearing on Screen during Booking

If mixed languages appear on screen during booking, please change the browser setting as follows:

IE:

Go to “Tools” or , select “Internet Options”
At “Appearance” under “General”, select “Languages”,
Press “Add”, select “English (United States) [en-US]”
Click “OK” to all opened windows

Firefox:

Press the drop-down menu “Firefox” at the top of the browser window, select “Options”
Select “Content”
Under “Language”, Press “Choose”
Choose “English [en]” at the drop-down menu and click “Add”
Click “OK” to all opened windows

Google Chrome:

In “Setting”, click “Show advanced settings”
Under the section “Language”, click “Language and input settings”
Click “Add” and select “English (US)” at the drop-down menu, then click “OK”
Drag “English (US)” to the top of the language list
Click “Done”
